ALL AMERICAN SPEEDWAY AGREEMENT

**PEIR 20110351**

**Lead:** EJ Ivaldi

**Status:** Phase I Environmental Impact Report (EIR) contract signed and executed; Kick-Off meeting held 5/3/12; Phase II EIR contract pending. No change since August update.

**Project Description:**
The project is a five (5) year agreement, with one (1) five (5) year extension option, between the County of Placer and the Placer County Fair Association for the operation and management of the All American Speedway in Roseville, CA. The project provides for operation of automobile racing and related activities on the existing All American Speedway track on Thursdays, Fridays, Saturdays and Sundays, March through October of each calendar year, with a 10:00 p.m. curfew on Saturday, a 6:30 p.m. curfew on Thursdays and Fridays and a 6:00 p.m. curfew on Sunday. The project provides other major regional racing events each calendar year.

**Applicant:** Placer County Department Of Facility Services

**Supervisor District:** District 1

**Community Plan:** City of Roseville

**MAC Area:** N/A

**Owner:** County Of Placer

BELCARA SUBDIVISION

Lead: Melanie Jackson

Status: The Board of Supervisors took action continuing to an open date to allow for modification consideration of subdivision viewshed. No change since August update.

Project Description: The Belcara Subdivision is a proposed planned development on a 169.2-acre site in the Foresthill area. The proposed project consists of 39 single-family residential lots ranging from .83 acres to 6.35 acres, though most homes will be on 1 to 1.5 acre lots, with three open space lots. The project will be developed in phases and will require a tentative map, final map(s), grading/improvement plans and building permits. Revisions to the plan may occur in response to public comments or additional analysis.

Applicant: King Russell

**GRANITE BAY MEDICAL OFFICE COMPLEX**

**Lead:** Kally Kedinger-Cecil

**Status:** On hold per Applicant. No change since August update.

**Project Description:** The Granite Bay Medical Office Complex project includes the construction of two medical office buildings (7,955 SF each), associated parking, and circulation areas on two separate parcels (APN 048-081-056 and 057) that comprise approximately 2.13 acres total. The project site is located on the northwest corner of the intersection of Douglas Boulevard and Berg Street. Currently zoned RS-B-20, this application includes a request to ReZone to Office/Professional (OP) and a General Plan Amendment by the Placer County Board of Supervisors and the Placer County Planning Commission. Within OP Zoning, this type of proposed use requires a Zoning Clearance, also to be part of this application. This application also includes a Minor Boundary Line Adjustment so that each building will be on a separate lot.

**Applicant:** Ron Wood

PLACER VINEYARDS SPECIFIC PLAN AMENDMENT - PROPERTY 16

Lead:
Jennifer Byous

Status:
APPLICATION WITHDRAWN BY APPLICANT

http://www.placer.ca.gov/departments/communitydevelopment/envcoordsvcscs/ceqa-active-projects

Project description subject to change without notice

ceqa_active_projects3.rpt

Page 11 of 26
The proposed Property 16 Specific Plan and Development Agreement Amendment requests adjustments to the land use boundaries within Property 16 (94 acres) within the Placer Vineyards Specific Plan Area (PVSP). These adjustments are requested to be consistent with the U.S. Army Corp of Engineers Record of Decision (ROD) for the PVSP Environmental Impact Statement. The ROD requires the dedication of additional open space for the protection of identified wetlands and other waters of the United States. Approval of the open space, and other land use changes shown in the Specific Plan Amendment (SPA), will ensure consistency with the required open space shown in the ROD.

A summary of the specific adjustments requested include: a decrease to the Specific Plan’s total for Low Density Residential land use (1,022.7-acres to 975.7-acres) and a decrease to the total Religious land use (91.0-acres to 85.5-acres). An increase the Specific Plan’s total Medium Density Residential land use (1,214.0-acres to 1,219.1-acres) and the total Open Space land use (692.8-acres to 740.2-acre). Property 16’s proposed land use would be adjusted to Medium Density Residential (25.1-acres) with 101 units assigned and Open Space (63.4-acres), 176 residential units would be held in reserve.

Applicant: Placer Vineyards Development Group, Llc

**Project Description:**
Small Lot Vesting Tentative Subdivision Map proposes to subdivide Lots 1,2,3,4,5,6 and 7 depicted on the Large Lot Maps into 644 small lots (single family) in 4 phases. Infrastructure construction consisting of road, utility and grading improvements is also proposed.

Project is located at the southeast corner of the intersection of Base Line Road and Newton, in the unincorporated portion of Western Placer County.

Applicant: Larry Gualco

**Project Description:**
Small Lot Vesting Tentative Subdivision Map proposes to subdivide Lots 1,2,3,4,5,6 and 7 depicted on the Large Lot Maps into 644 small lots (single family) in 4 phases. Infrastructure construction consisting of road, utility and grading improvements is also proposed.

Project is located at the southeast corner of the intersection of Base Line Road and Newton, in the unincorporated portion of Western Placer County.

**REGIONAL UNIVERSITY SPECIFIC PLAN AMENDMENT**

**PLN14-00185**

**Lead:** Jennifer Byous  
**Status:** Addendum to previously-certified EIR being prepared.  
**Project Description:** The RUSP is a 1,159-acre master planned community located to the west of the City of Roseville. The project was approved by the BOS in September, 2008. The applicant is proposing to revise the mix of land uses and the allocation of residential units within the confines of the plan area. The overall vision, project boundary, roadway network, open space corridors, and University site are consistent with the originally-approved land use plan.

WHITEHAWK I (GRANITE BAY 17)

Lead: Christopher Schmidt

Project Description: The applicant is requesting approval of a General Plan and Community Plan Amendment, Rezone, Vesting Tentative Subdivision Map, and a Conditional Use Permit to construct a 24 unit Planned Residential Development on 18.1 acres. The project site is currently vacant.

A General Plan amendment to change the designation of the site from Rural Low Density Residential (.9 to 2.3 acres per dwelling unit) and Rural Residential (2.3 to 4.6 acre minimum) to Low Density Residential (0.4 to .9 acres per dwelling unit). The applicant is also requesting a rezoning of a portion of the site from RA-B-100 PD = 0.5 (Residential Agricultural, minimum Building Site of 100,000 square feet combining Planned Residential Development of 0.5 units per acre) to RA-B-20 PD = 1.4 (Residential Agricultural, minimum Building Site of 20,000 square feet combining Planned Residential Development of 1.4 units per acre) to permit construction of 24 residential dwelling units. A 3.96 acre portion of the site along Douglas Boulevard would be rezoned to O (Open Space).

Detached, single-story residences would be constructed within individual building envelopes of approximately 4,500 to 4,875 square feet each (60’ x 75’ and 65’ x 75’), including garages. A total of 83 off-street parking spaces are proposed, of which, 24 spaces are visitor parking spaces in four parking bays dispersed throughout the site and two or three spaces in each residence’s driveway.

The project includes a 300-foot scenic setback along the south side of Douglas Boulevard along the northern edge of the site. The proposal includes 11.79 acres of open space, or 65 percent of the project site, including a .33-acre private park. The open space areas along Strap Ravine and in the scenic setback area will be encumbered by an open space protection easement. Access to the site will be from a private, gated road extending south from Douglas Boulevard, over Strap Ravine, and through the site.

It is anticipated that site development will involve partial clearing and grading of the site, trenching and digging for underground utilities and infrastructure, and ultimately the construction of new roadways, trails/pathways, driveways, buildings, and landscaping.

Applicant: Brian Bombeck

Supervisor District: District 4

Community Plan: Granite Bay Community Plan

WHITEHAWK II (GRANITE BAY 33)

Lead: Christopher Schmidt

Project Description: The applicant is requesting approval of a General Plan and Community Plan Amendment, Rezone, Vesting Tentative Subdivision Map, and a Conditional Use Permit to construct a 55 unit Planned Residential Development on 32.97 acres. The project site is currently vacant.

A General Plan amendment to change the designation of the site from Rural Residential (2.3 to 4.6 acre minimum) to Low Density Residential (0.4 to .9 acres per dwelling unit). The applicant is also requesting a rezoning of a portion of the site from RA-B-100 (Residential Agricultural, minimum Building Site of 100,000 square feet) to RA-B-20 PD = 1.75 (Residential Agricultural, minimum Building Site of 20,000 square feet combining Planned Residential Development of 1.75 units per acre) to permit construction of 55 residential dwelling units. A 7.71 acre portion of the site along Douglas Boulevard would be rezoned to O (Open Space).

Detached, single-story residences would be constructed within individual building envelopes of approximately 4,500 to 4,875 square feet each (60’ x 75’ and 65’ x 75’), including garages. A total of 194 off-street parking spaces are proposed, of which, 55 spaces are visitor parking spaces in six parking bays dispersed throughout the site and two or three spaces in each residence’s driveway.

The project includes a 300-foot scenic setback along the south side of Douglas Boulevard along the northern edge of the site. The proposal includes 20.54 acres of open space, or 62 percent of the project site, including a .88-acre private park. The open space areas along Strap Ravine and in the scenic setback area will be encumbered by an open space protection easement. Access to the site will be from a private, gated road extending south from Douglas Boulevard at Seeno Avenue, over Strap Ravine, and through the site.

It is anticipated that site development will involve partial clearing and grading of the site, trenching and digging for underground utilities and infrastructure, and ultimately the construction of new roadways, trails/pathways, driveways, buildings, and landscaping.

WINERY ORDINANCE ZONING TEXT AMENDMENT

Lead: Nikki Streegan

Project Description: The Placer County Winery Ordinance was adopted by the Board of Supervisors on August 26, 2008. Since the existing Winery Ordinance was adopted in 2008, additional concerns have been raised pertaining to issues associated with events and tasting activities that take place at wineries/breweries. Some of these issues were addressed through an update of the Event Center Ordinance, adopted on August 26, 2014. The two primary goals of the currently proposed Ordinance are to clarify what activities would be allowed in conjunction with winery/brewery uses and to streamline the permit process. To that end, the proposed Winery/Brewery Ordinance will address events and tasting activities associated with these land uses.
